

INDEX OF WHO/MAL DOCUMENTS

All documents in English and French, unless otherwise stated

WHO.IC/Mal/1	1947		Draft Agenda, First Session Expert Committee on Malaria: Revised Draft Agenda
2	"		Note on the proposed appropriation of a sum of \$15 000 earmarked: Field work during 1947 malaria season
3	"		Note on co-ordinated experiments on suppressive prophylaxis for malaria with the new synthetic drugs
4	"		Report on the first session (with Corr.1)
5	"	Dr CIUCA	Report on the work carried out by the Malaria Research Laboratory, Tulcea (with addendum)
6	"		Minutes of the First Session of the Expert Committee on Malaria, 22-25/4/47
7*	"		Estimated minimum cost of a Second Session requested by the Committee for Nov. 1947
8*	"	Dr E.J. PAMPANA	Report on Dr Pampana's mission to Greece and Italy
9	"	M. AZIZ	Report on the Anopheles (Malaria) Eradication Scheme in Karpas, Cyprus
10	1948	Sir Aly SHOUSHA Pasha	Report on Eradication of <u>Anopheles gambiae</u> from Upper Egypt, 1942-45
11	"		Malaria Programme - Proposal from the Representative of the USA
12	"		Malaria Programme (submitted by the Secretariat)
13***	"		Questions upon which to consult with the Fourth International Congress on Malaria

* Document in English only

** Document in French only

*** Document in English, French and Spanish

§ Document out of stock

WHO. IC/Ma1/14	1948	G. GIGLIOLI	Mosquito control operations by residual DDT in British Guiana
15	"	M. CIUCA et al.	Trials of causal prophylaxis of malaria with paludrine
16	"	M. CIUCA et al.	Contributions to the therapy with paludrine in experimental infection
17	"	M. CIUCA et al.	Contribution to chemotherapy with paludrine of experimental malaria infection. Effective minimum doses
18	"		Provisional Agenda (Rev.1) Second Session of the Expert Committee on Malaria
19	"	D.K. VISWANATHAN & T. Ramachandra RAO	Control of rural malaria in Kanara and Dharwar districts, Bombay Province, with DDT indoor residual sprays
20	"	M. BOYD	Planning for malaria control
21	"		Draft sanitary international agreement against importation of anophelines (Sardinia)
22	"		Draft international sanitary agreement concerning steps for prevention of introduction of vectors, etc.
23	"	Sec. E.C.M.	Note on the cost of antimalaria campaigns . . . (Submitted by the Secretary of the E.C.M.)
24	"	M. CIUCA	Memorandum on WHO assistance
25	"		Report of the Second Session of the Expert Committee on Malaria
26	"	Prof. G.CANAPERIA	Note on Malaria Control in Italy
27	"	Prof. G.A. LIVADAS & DR G. BELIOS	Note on Postwar Malaria Control in Greece and its results on basis of epidemiological data
§ E	28	"	M.E.ALESSANDRINI Paper on a rapid method for the detection and determination of small quantities of DDT on sprayed surfaces (Original: Italian)
	29	1949	Provisional Agenda of the Third Session of the Expert Committee on Malaria

WHO. IC/Mal/30	1949		Provisional Agenda of the First Session of the Expert Committee on Insecticides (WHO/Insecticides/3)
	31	"	Availability of Insecticides for the control of malaria (WHO/Insecticides/4)
	32	"	Report of the Third Session of the Expert Committee on Malaria (see also Technical Report Series No. 8) Summary Minutes of the 4th Sitting of the Third Session (Expert Committee on Malaria)
	33	" Prof. G. G. MER	Malaria Control in the State of Israel
	34	1950 M. A. C. DOWLING	Report on Progress of Malaria Eradication Scheme Colony of Mauritius
	35**	" Prof. F.J.C. CAMBOURNAC	Le Paludisme au Portugal
	36	"	RESOLUTIONS concerning the Report of the Third Session of the Expert Committee on Malaria
	37*	" Prof. G. G. MER	The Toxicity of DDT - Lanolin Residues to flies and mosquitos
	38*	" Malaria Division	Summary Review of literature on CAMOQUIN, prepared by the Malaria Division (Corr.1)
	39*	" S. MADWAR & EL SHAWARBY	A short report on the eradication of <u>A. sergenti</u> from the Oases of Egypt, 1946-1948
	40*	" L. J. BRUCE-CHWATT	The ILARO experimental vector species eradication scheme by residual insecticides
§ E & F	41	" L. J. BRUCE-CHWATT	Report on trials on aircraft disinsecti- zation in West Africa (WHO/Insecticides/6)
WHO/Mal/42 AFR/Mal/Conf/1		"	Provisional Agenda of the Malaria Conference in Equatorial Africa, with addendum
WHO/Mal/43 AFR/Mal/Conf/2		" L. J. BRUCE-CHWATT	Summary of Malaria in Nigeria
WHO/Mal/44**		" M. E. FARINAUD & R. CHOUMARA	Le Paludisme dans les Populations Montagnardes du sud Indochinois
	45	"	Provisional Agenda of the Fourth Session of the Expert Committee on Malaria

WHO/Mal/46	1950	Dr E. J. PAMPANA	Large-scale malaria control campaigns using residual insecticides
WHO/Mal/47 AFR/Mal/Conf/3	"	I. H. VINCKE	Malaria control by means of DDT in Katanga (1947-50)
WHO/Mal/48 AFR/Mal/Conf/4	"	S. ANNECKE	Report on malaria control in Transvaal
WHO/Mal/49 AFR/Mal/Conf/5	"	D. M. BLAIR	Report on malaria control in Southern Rhodesia
WHO/Mal/50 AFR/Mal/Conf/6	"	M. M. HOLSTEIN	Note on Malaria Epidemiology in French West Africa
WHO/Mal/51 AFR/Mal/Conf./7	"	O. MASTBAUM	Field experiments with DDT emulsion and wettable powder, with special reference to malaria incidence in Swaziland during the transmission season 1949-50
WHO/Mal/52 AFR/Mal/Conf/8	"	Méd.Col. P. BERNARD	Control of malaria in Madagascar
WHO/Mal/53 AFR/Mal/Conf/9	"	Sir Gordon COVELL	The therapeutics of malaria in Africa
WHO/Mal/54 AFR/Mal/Conf/10	"	Botha de MEILLON	Species and subspecies of vectors and their bionomics
WHO/Mal/55 AFR/Mal/Conf/11	"	R. ELLIOTT	Some observations tending to suggest a recent decrease in immunity to malaria in the population of Freetown
WHO/Mal/56 AFR/Mal/Conf/12	"	P. C. C. GARNHAM	Note on some residual insecticides trials for malaria control in East Africa
WHO/Mal/57 AFR/Mal/Conf/13	"	S. ANNECKE	Economic importance of malaria
WHO/Mal/58 AFR/Mal/Conf/14	"	F.J.C. CAMBOURNAC	Report on malaria in Equatorial Africa ANNEXES to Report
WHO/Mal/59 AFR/Mal/Conf/15	"	G. MACDONALD	Malaria transmission rates and infant parasite rates
WHO/Mal/60 AFR/Mal/Conf/16	"	G. MACDONALD	The economic importance of malaria in Africa
WHO/Mal/61 AFR/Mal/Conf/17 § E	"	B. de MEILLON	Report on malaria survey of south-west Africa (former 61 by M.A.C. DOWLING deleted, see 64)

WHO/Mal/62	1950	L. J. BRUCE-CHWATT	Malaria in pregnancy and infancy in the African population of Southern Nigeria
AFR/Mal/Conf/13			
WHO/Mal/63	"		List of the members of the Expert Advisory Panel
WHO/Mal/64	"	M.A.C. DOWLING	An experiment in eradication of malaria in Mauritius
AFR/Mal/Conf/19			
WHO/Mal/65 Rev.1	"		List of experts and observers participating in the Conference
AFR/Mal/Conf/20			
WHO/Mal/66	"	Jaswant SINGH & BHATTACHARJI	Rapid staining methods of blood smears J.S.B. stains
AFR/Mal/Conf/21			
WHO/Mal/67	"	G. DAVIDSON	Results of recent experiments on the use of DDT and BHC against adult mosquitos in Taveta, Kenya
AFR/Mal/Conf/22			
WHO/Mal/68	"		List of documents distributed to the Conference
AFR/Mal/Conf/23			
§ E & F			
WHO/Mal/69	1951		Report of the Malaria Conference in Equatorial Africa
AFR/Mal/Conf/24			
WHO/Mal/70	"		Report of the Fourth Session of the Expert Committee on Malaria
WHO/Mal/71	"	Sol B. McLENDON & M. D. YOUNG	The response of Plasmodium malariae infections to Metachloridine, Chlorguanide (Paludrine) and intramuscular Chloroquine
WHO/Mal/72	"	P. H. van THIEL & R.M.P. WINOTO	Summary on the control of highly endemic malaria carried by <u>A. sundaicus</u> by means of DDT house spraying, in a village of Java, Indonesia
73	"	Dr Rajindar PAL	Report on the ninth International Congress in Entomology
74	"	Prof. G. LIVADAS	Do anophelines acquire resistance to DDT ?
75	1952	H.G.S. MORIN & R. PAVANELLO	Selective method of malaria control by residual spraying
76	"	Prof. G. LIVADAS	The present position of the malaria control demonstration project in Terai (Uttar Pradesh, India, November 1951)
77	"	A. J. WALKER	Walker's staining method for thick blood film preparations

WHO/Mal/78	1952	E. BORDAS, NAVARRO & W. G. DOWNS	Inactivation of DDT by mud surfaces
§ E & F 79	"	Prof. G. LIVADAS	Is it necessary to continue indefinitely DDT residual spraying programmes ?
80	1953	Prof. G. LIVADAS & Dr G. GEORGOPOULOS	Development of DDT resistance by <u>Anopheles sacharovi</u> in Greece
81	"		Provisional Agenda, Expert Committee on Malaria, Fifth Session - Istanbul
82	"	M. A. FARID	Non-effectiveness of DDT residual spraying in stopping malaria transmission in the Jordan Valley
83	"	P. F. RUSSELL	Cytogenic methods in the systematics of anopheles
84	"	J. McARTHUR	Malaria control by methods other than insecticides
85	"	H. TRAPIDO	Recent experiments on possible resistance to DDT by <u>A. albimanus</u> in Panama
86	"	J. SINGH	Malaria control in areas where the houses are made of mud
87	"	H. TRAPIDO & T. H. G. AITKEN	Changes of anopheline fauna and intraspecies changes following the application of modern insecticides
88	"	M. A. VAUCEL	Rôle et intérêt des nouveaux médicaments synthétiques antipaludiques dans la prophylaxie du paludisme
89	"	H. A. SENIOR WHITE	On the possibility of specific differences in resistance-development-potential in anopheles
90	"	S. ANNECKE	Malaria control in areas where houses have mud walls, with a note on malaria control in the Transvaal
91	"	Malaria Division	A bibliographical list of papers dealing with the utilization of <u>Plasmodium berghei</u> in the current study of malaria
92	"	G. GIGLIOLI	Methodology of malaria control

WHO/Mal/93	1953	I. H. VINCKE	The application of Pyrimethamine in rural areas
94	"	S. RAJENDRAM	Malaria control in areas where houses have mud walls
§ E	95	G. GEORGOPOULOS	Extension to other insecticides of the resistance to DDT observed in <u>Anopheles</u> resistance
96	"	J. M. ANDREWS & J. S. GRANT	Interruption of residual spraying after several years of achieved malaria control in the United States
97	"	A.L. BERTI, A. GABALDON S.J. CARRILLO & H. MAZZARI	The fate of DDT sprayed on mud walls of houses in Venezuela
98	"	G. MACDONALD & G. DAVIDSON	The dose and cycle of insecticide applications in the control of malaria
99	"		List of members of the Expert Advisory Panel on Malaria
100	"	Sir GORDON COVELL	Chemotherapy of malaria
101	"		Fifth Report of the Expert Committee on Malaria
WHO/Mal/102	1954		Provisional Agenda for the Malaria Conference for the Western Pacific and South-East Asia Regions
Baguio Conf./1
