REPORT OF THE
MALARIA CONFERENCE IN EQUATORIAL AFRICA

C o r r i g e n d u m

- page 48 : paragraph 3.2.2, eighth line; end of line; replace "terms" by "teams"
- page 49 : paragraph 3.3.1, third line: delete "on" between "Malaria" and "an experimental"
- page 50 : second line from bottom of page: delete "on" between "and" and "antilarval"
- page 55 : fourth line: replace "psychiatric" by "psychotic"
end of third paragraph: replace "2.5" by "2.7"
fourth paragraph: start paragraph with "Amodiaquine" and put "Camoquin" in brackets, thus to read "Amodiaquine (Camoquin) has ..."
- page 56 : seventh line: insert "Amodiaquine" after "or" and put "Camoquin" in brackets
- page 65 : footnote: change "5" into "68"
- page 71 : second line from bottom: delete the first "been"
- page 79 : first and seventeenth lines: write "hexachloride" instead of "hezachloride"
-
