This CD ROM is a replica of a set of training modules (14 booklets) developed for district TB coordinators. All files are in PDF and Word so that they are easy to download and print.

Management of Tuberculosis Training for District TB Coordinators

This course has been designed to teach skills and knowledge that district TB coordinators need to plan, supervise, implement, monitor and evaluate the activities of a district TB control programme

These training modules and additional documents can be located on the web: www.who.int/gtb
